A new learning module has been added to the GEL website and it can be accessed at the following link: <http://www.elc-gel.org/learning-modules/governors-visits-to-school/>

The Governance Consultancy Team recommend the following modules:

- **Health & Safety**
- **Monitoring Performance Data and Targets**
- **Performance Management, the Governor's Role**

"I have found the GEL modules very useful – training can be done at a time to suit yourself, and you can confirm what you already know and build on that knowledge. I highly recommend this method of training and the certificate at the end is very useful to evidence governor CPD for Ofsted." Yvonne McLeod, Connaught Junior School.

"Having completed the modules, I will certainly be recommending GEL to the governors at my school. From what I've seen, the material can provide useful "background" information on topics which are new to a particular governor and could also be a useful starting point for new governors. The beauty of GEL is that it can be completed at any time and is useful for those who might otherwise struggle to attend training courses." Janet James, Holy Trinity, Guildford.

How to Register on the GEL Website

- To open the GEL home page please enter the following web address
<http://www.elc-gel.org/register>
- To access the registration page click on the yellow box titled **'Register Here'**.
- Choose your Local Authority (Surrey) from the drop down menu and click on **'Continue Registration.'**
